

The Town of Leesburg
INTEROFFICE MEMORANDUM
DEPARTMENT OF PUBLIC WORKS
Transportation Division

TO: Kaj H. Dentler, Town Manager
FROM: Calvin K. Grow, Transportation Engineer
DATE: October 28, 2014
RE: Standing Residential Traffic Committee (SRTC) Feedback on Hope Parkway

The SRTC met on September 8, 2014 and discussed the pedestrian push button flashing light on Hope Parkway at Whipp Drive. Town staff noted that this matter was referred to the Committee by Council Member Butler. Ms. Gigi Robinson reported that the developer of Oaklawn proffered to pay \$15,000 for installation of pedestrian flashing light at the time of issuance of the first zoning permit for a structure in Landbay B. A zoning permit for Oaklawn Landbay B is expected to be issued before the end of 2014.

The Committee recommended that the pedestrian push button flashing light on Hope Parkway at Whipp Drive be installed before the community pool opens in the spring of 2015. As a result, staff will proceed accordingly.
